Q1 Comments - Comments

Comments

Keep up the amazing work Joe!

The professor covered the vast material well. Having studied much of this material previously, I was impressed by his ability to easily convey the quantity of the material presented while highlighting many of the nuances required to apply the material.

Q2 - How strongly do you agree with the following statements relating to the instructor

Joseph Patten? The instructor...

		provided timely and frequent feedback.
		explained material clearly and concisely.
		was available outside of class to discuss my problems and progress.
		clearly and consistently communicated expectations for students in the cour...
		was responsive to students' concerns.
		graded assignments and exams fairly.
		valued my contributions to the course.
		treated students with respect.

Q3 Comments - Comments

Comments

It was a review of mathematics for economists and was well structured and focused towards that end.

Q4 - What worked well for your learning in this course?

What worked well for your learning in this course?

The lectures were well made and conveyed.

The instructor was diligent with writing out information on the whiteboard, which was helpful for visualizing what I was learning and for taking notes.

Lecture notes, in class problems, and homeworks.

Doing the homework assignments in groups.

Q5 - What didn't work well for your learning in this course?

What didn't work well for your learning in this course?

N/A

Nothing I can think of!

The pace was a bit fast towards the end.

Q6 - Comments on the value of the resources used in this course (e.g., handouts, overheads, Powerpoints, textbooks, and others).
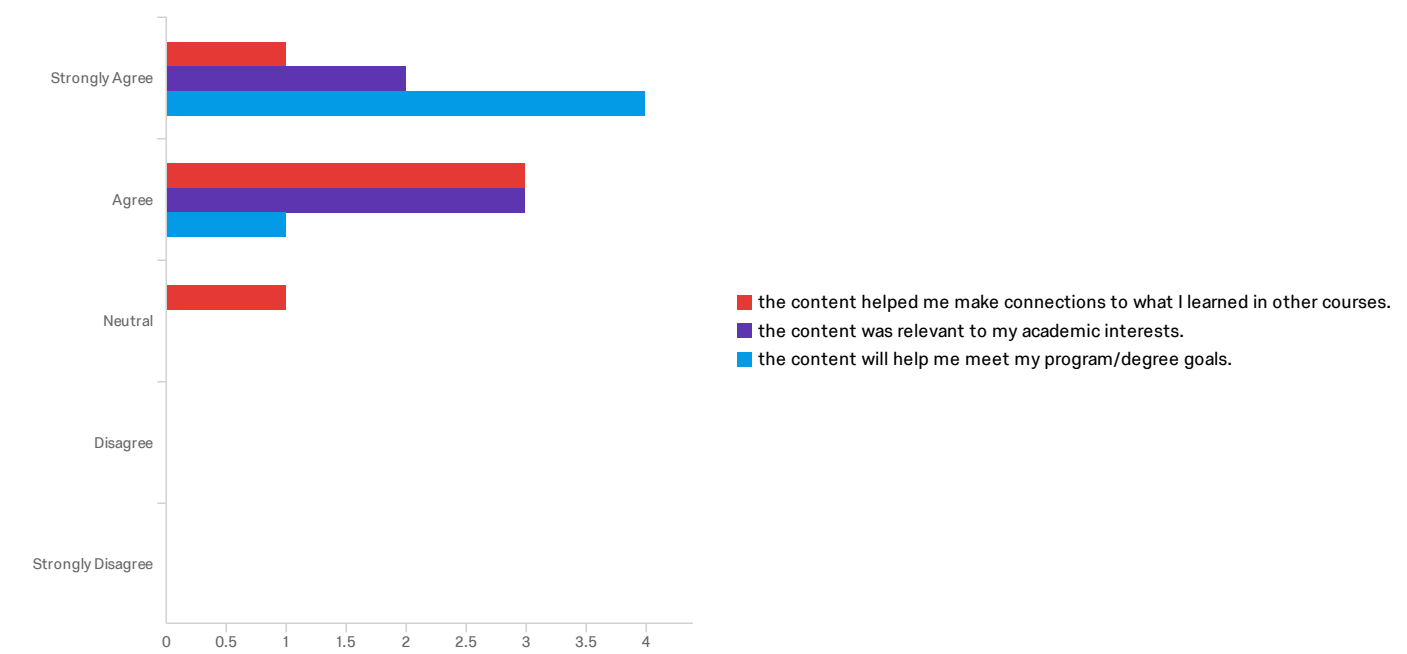

Comments on the value of the resources used in this course (e.g., handouts,...

The lecture notes could be a little bit more in depth.

None.

Q7 - How strongly do you agree with each statement about this course? In this course...

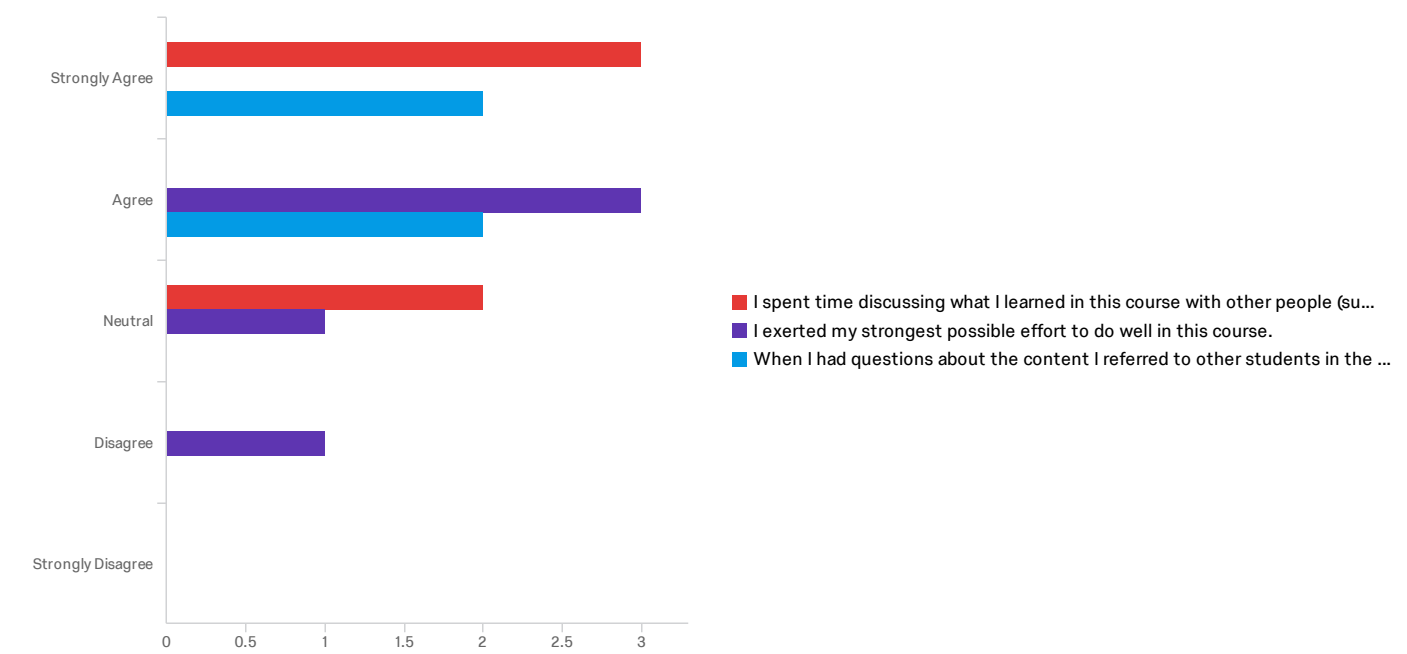

- the content helped me make connections to what I learned in other courses.
- the content was relevant to my academic interests.
- the content will help me meet my program/degree goals.

#	Field	Minimum	Maximum	Mean	Std Deviation	Variance	Count
1	the content helped me make connections to what I learned in other courses.	3.00	5.00	4.00	0.63	0.40	5

Q9 - What are your views on the learning responsibilities between you and your professor (or T/A, lab assistant, facilitator, etc.)?

What are your views on the learning responsibilities between you and your p...

The instructor was relaxed, confident, and knowledgeable. Did not judge students for any question.

Both sides must put in good effort when learning/teaching.

## Q10 - What suggestions of changes, if any, would you make to improve this course?

What suggestions of changes, if any, would you make to improve this course?

N/A

I do not have any, keep up the good work Joe!

Q21 - How many weeks did you attend mathcamp in the classroom?

#	Field	Minimum	Maximum	Mean	Std Deviation	Variance	Count
1	How many weeks did you attend mathcamp in the classroom?	1.00	4.00	3.29	1.16	1.35	7

#	Field		Choice Count
